Mr. Ness,

I am trying to find some information regarding the investigation on the case in the subject line. Is this just a report or are there actual findings? Thank you in advance for your help.

Sir,

I will refer you to the Dacono Police Department which requested the investigation and to whom the entire case file was given.

If I understand your question correctly, I submitted the facts in the report as they were provided to me through interviews, documents, and video footage. I did not submit any conclusions or inferences as part of my investigative report.

All of this was given to the City of Dacono.

Agent Patrick Ness

CBI
